WEDNESDAY SERVICE**

Hello, my name is John Wright. I am the new preacher at the Northwest Church of Christ that meets at 3904 - 38th Street N. W. here in Canton. As the new preacher in town, I would really like to meet you. In September, I am going to be visiting in some neighborhoods around our church building. I hope I'll get to meet you.

Beginning Sunday, October 1, through Wednesday, October 4, we are going to be having a "Meet the Preacher" meeting. I'll be preaching on the theme "Let Me Tell You About My God." I personally invite you to come so that I can meet you! Sunday, October 1st, we are having a "Friend & Family Day" with a fellowship meal to follow. A gospel message from the Bible will be presented each evening, Monday through Wednesday, October 2-4. On Wednesday, our service will be followed by a hotdog roast with s'mores. This will be a great time to get to know each other. My preaching will be Bible-based and God-glorifying. It is not designed to tickle your ears but to touch your heart.

The Northwest church is a back-to-the-Bible church, where what God says still matters! It is filled with some of the friendliest and most loving people I've ever met. If you are looking for a church that still honors the Word of God and is more interested in peoples' souls than their checkbooks, I think you will be glad you came. I genuinely hope to meet you.

In Christian Love, - John
